Regulation 2

Scope and Purpose

The Staff Regulations embody the fundamental conditions of service and the basic rights, duties and obligations of the Director and other members of the Secretariat of the 1992 Fund. They represent the broad principles of human resources policy for the staffing and administration of the Secretariat.

SECTION I

Duties and Obligations

Regulation 3

The Director and other members of the Secretariat are international civil servants. Their responsibilities are not national but exclusively international. By accepting appointment, they pledge themselves to discharge their functions and to regulate their conduct with the interests of the 1992 Fund and the Supplementary Fund (hereinafter referred to as "the Funds"), only in view, except as provided for in Regulation 4. In the performance of their duties they shall neither seek nor accept instructions from any government or from any authority external to the Funds, except as provided for in Regulation 4. All members of the Secretariat are subject to the authority of the Director and are responsible to him or her in the exercise of their functions.

Regulation 4

The Director and other members of the Secretariat shall act also as Director and Secretariat of the Supplementary Fund and perform duties under the Supplementary Fund Protocol.

Regulation 5

Every member of the Secretariat, on taking up his or her duties, shall make and sign the following oath or declaration:

"I solemnly swear (undertake, affirm, promise) to exercise in all loyalty, discretion and conscience the functions entrusted to me as an international civil servant of the 1992 Fund, to discharge those functions and regulate my conduct with the interests of the 1992 Fund and the Supplementary Fund only in view and not to seek or accept instructions in regard to the performance of my duties from any government or other authority external to the 1992 Fund and the Supplementary Fund."

Regulation 6

Any privileges and immunities accorded to the 1992 Fund and the Supplementary Fund are conferred in the interests of the respective Funds. No such privileges and immunities shall excuse members of the Secretariat from the performance of their private obligations or from the observance of laws and regulations otherwise applicable to them. Any incident giving rise to controversy on the applicability of any privilege or immunity shall immediately be reported by the member of the Secretariat concerned to the Director, with whom alone it rests to decide whether such privilege or immunity shall be waived. In the case of the Director, the Assembly shall decide whether the privileges and immunities shall be waived.

Regulation 7

Members of the Secretariat shall exercise the utmost discretion in regard to all matters of official business. They shall not communicate to any person any information known to them by reason of their official position which has not been made public, except so far as is necessary for their duties or by authorisation of the Director. Nor shall they at any time use such information to private advantage. These obligations do not cease upon separation from the Secretariat.

Regulation 8

Members of the Secretariat are not expected to give up their national sentiments or their political or religious convictions, and they may exercise their right to vote. However, they shall avoid any action, and in particular any kind of public pronouncement or political activity, which may adversely reflect on their position as international civil servants, at all times bearing in mind the reserve and tact incumbent upon them by reason of their international status.

Regulation 9

The whole time of members of the Secretariat shall be at the disposal of the Director and they shall not accept or hold any office or engage in any occupation or activity incompatible with the proper discharge of their duties. In particular, they shall not participate in any manner or have any financial interest in an enterprise whose aims or activities are closely related to those of the Funds.

Regulation 10

No member of the Secretariat shall accept any honour, decoration, favour or gift or remuneration from any government or other source without the Director's prior agreement. Agreement shall be granted only in exceptional cases and provided acceptance is not incompatible with the individual's status as an international civil servant.

SECTION II

Appointment, Renewal and Promotion

Regulation 11

Within the budgetary and other limits established by the Assembly, the Director shall appoint the members of the Secretariat and such other additional personnel for short-term duties and assignments as may be found necessary. Each member of the Secretariat shall receive a letter of appointment in accordance with the provisions of Annex I to these Regulations, signed by the Director or his or her duly authorised representative.

Regulation 12

The paramount consideration in the appointment of members of the Secretariat shall be to secure the highest standards of efficiency, competence and integrity. Subject to this requirement, all persons shall be equally eligible for all posts in the Secretariat without distinction as to sex, race, creed or religion.

Regulation 13

Selection shall normally be made on a competitive basis. Subject to this, recruitment shall be on as wide a geographical basis as possible and with a view to ensuring equitable representation in the Secretariat of nationals of the Member States of the 1992 Fund.

Regulation 14

Members of the Secretariat shall normally be appointed on a fixed-term basis for service of a prescribed duration. Appointments may be renewed but shall not carry any legal entitlements, express or implied, to such renewal. The maximum period of a fixed-term appointment shall be five years.

Regulation 15

The Director shall establish appropriate medical standards which persons shall be required to meet before appointment.

SECTION III

Classification of Posts

Regulation 16

Subject to the budgetary provisions made by the Assembly, the Director shall determine appropriate categories and grades for established posts, on the basis of the classification standards approved by the Assembly.

SECTION IV

Salaries and Related Allowances

Regulation 17

The salaries, allowances and grants and the conditions of entitlement thereto, for all members of the Secretariat shall, except as may be otherwise provided in these Regulations, conform whenever appropriate with the United Nations common system as applied by the International Maritime Organization under its Staff Regulations and Staff Rules.

Regulation 18

The terms and conditions of service of the Director shall be determined by the Assembly with reference to the provisions of Regulation 17 and shall be specified in a contract between the Director and the 1992 Fund represented by the Chairman of the Assembly.

SECTION V

Leave

Regulation 19

Members of the Secretariat shall be allowed annual leave, sick leave, maternity leave and home leave, and may be allowed special leave with or without pay under the conditions specified in the Staff Rules.

SECTION VI

Separation

Regulation 20

The normal age of retirement for members of the Secretariat shall be 65 years. This age limit may be extended in the interest of the Funds in exceptional cases.

Regulation 21

- (i) if the needs of the Funds require abolition of the post or reduction in staff;
 - (ii) if the services of the staff member prove unsatisfactory;
 - (iii) if the staff member is for reasons of health incapacitated for further service;
 - (iv) if the conduct of the staff member does not meet the high standards of integrity and behaviour required under these Regulations or is otherwise unsatisfactory;
 - (v) if facts anterior to the appointment of the staff member and relevant to his or her suitability come to light, which, if they had been known at the time of his or her appointment, should under the standards provided in these Regulations have precluded his or her appointment.
- (b) If a prima facie case for terminating an appointment under this Regulation has been established, the Director may suspend the staff member concerned from duty, with or without pay, during investigation, the suspension being without prejudice to the rights of the individual.

Regulation 22

The terms and conditions governing termination under Regulation 21, including provisions for the payment of termination indemnity, shall be specified in the Staff Rules.

Regulation 23

Where it is not intended to offer reappointment for a period of at least one year to a member of the Secretariat serving under a fixed-term contract, that staff member shall be entitled to be informed of the intention not to offer reappointment at least six months before the date of expiry of the contract.

Regulation 24

Unless otherwise specified in the letter of appointment, ninety days' written notice of resignation shall be given by staff members in the Professional and Higher categories and thirty days' written notice by staff members in the General Service category. The Director may, however, accept resignations on shorter notice.

SECTION VII

The 1992 Fund shall pay the travel and related expenses, including removal costs, of members of the Secretariat and their dependants on the terms and conditions specified in the Staff Rules.

Regulation 27

Members of the Secretariat shall be entitled to make proposals to the Director regarding human resources policies and general questions of staff welfare.

SECTION XI

International Oil Pollution Compensation Fund 1992*

I Jurisdiction of the Board

- (a) The Appeals Board established under Staff Regulation 29 shall have authority to settle disputes between staff members, former staff members or the rightful claimants to their estates and the Director concerning individual decisions applying to persons in the former categories, who base their case on non-observance of the Staff Regulations, the Staff Rules or the conditions of employment including the contract or letter of appointment.
- (b) Any dispute as to the competence of the Board shall be decided by the Board itself.

II Composition of the Board

- (a) The Appeals Board shall consist of three nationals of different Member States to be appointed by the Assembly. Three substitute members from three other Member States shall also be appointed.
- (b) The members and the substitute members may be named individuals or the holders for the time being of any senior government office and residing in or near London. They shall not be members of the Secretariat. At least one member and one substitute member shall have legal qualifications.
- (c) The members and the substitute members shall be appointed for a term of two years and may be reappointed. In the event of the death or resignation of a member or substitute member, the Assembly shall appoint a replacement for the unexpired portion of his/her term. Pending such appointment the member or substitute member shall be replaced by his/her successor in office.
- (d) The members of the Board shall be completely independent in the discharge of their duties. They shall not receive any instructions.
- (e) The Board shall designate from among its members a Chairman. The Chairman shall have legal qualifications.

- (b) The Board may decide on the appeal without holding a hearing. However, a hearing shall be held if so decided by the Chairman or at the request of the appellant or the Director. When a hearing is held, the Board shall decide whether all or part of the proceedings shall be held in public or in private.
- (c) The Director and the appellant may attend the hearing and make oral statements in support of the arguments put forward in written memoranda. They may be assisted or represented for this purpose by persons of their choice.

- (d) The Board is entitled to have before it any document it may consider useful for the consideration of an appeal. Any document communicated to the Board shall also be communicated to the Director and to the appellant.
 - (e) The Board shall hear any witnesses whose evidence it considers may be useful in the proceedings. The Board may require any official of the 1992 Fund to appear before it as a witness.
 - (f) The members of the Board shall deliberate in private.
 - (g) Where the Board allows an appeal, it shall annul or vary the disputed decision. It may also order the 1992 Fund to pay the appellant compensation for damage sustained as a result of any non-observance of the Staff Regulations, the Staff Rules or the contract or conditions of employment.
 - (h) In determining the amount of compensation to be paid to the appellant, the Board may take into account considerations put forward by the Director that the execution of the award might cause internal difficulties for the 1992 Fund.
 - (i) In cases where it has allowed an appeal, the Board may decide that the 1992 Fund shall reimburse justified expenses incurred by the appellant. The Board may also decide that the 1992 Fund shall reimburse travel and subsistence expenses incurred by witnesses. In taking such decisions, the Board shall take into account the nature of the dispute and the amount of money involved.
 - (j) The Appeals Board shall reach its decisions by majority vote. Reasons shall be given for decisions.
 - (k) No appeal lies from decisions of the Board.

Periods of special leave with partial pay or without pay for which annual leave does not accrue will not qualify for the additional day.

RULE I.4

Outside activities and interests

- (a) Staff members shall not engage in any continuous or recurring outside occupation or employment without the prior approval of the Director.

- (b) A staff assessment shall be applied to the gross salary scales at the same rates as are applied by IMO from time to time. The rates specified by IMO are contained in Annex D. The amount remaining after deduction of the assessment shall correspond to the net salary specified in Annex C and shall be the amount payable to the staff member.
- (c) Except where otherwise provided in these Rules, "salary" in relation to General Service staff shall mean the net salary arrived at under sub-paragraph (b).

The Director may adjust the net base salaries referred to in Rule IV.1(i) above by the application of post adjustments at the same rates as are applied by IMO from time to time. Such post adjustments shall not be subject to staff assessment and the amounts shall be determined by multiplying one per cent of the net base salary by a multiplier reflecting the classification of the duty station concerned, as applied by IMO.

RULE IV.3

- (b) The amount of the settling-in grant shall, in the case of the staff member, be the equivalent of daily subsistence allowance (DSA) for 30 days after arrival and, for each accompanying eligible family member who remains at least six months at the duty station, one half of the amount payable to the staff member plus a lump-sum amount equivalent to one month of net base pay plus applicable post adjustment.

-
- (c) The DSA portion of the grant which is payable to the staff member shall not normally be recoverable. However, with regard to family members who do not remain with the staff member at the duty station for at least six months, the DSA portion paid may be recovered from the staff member, unless the Organisation is satisfied that the departure of the family member took place because of compelling circumstances.
 - (d) In cases where the staff member has not completed one year of service, the lump-sum portion of the settling-in grant shall be recovered on a pro-rata basis corresponding to the number of months of completed service.

- (b) If promotion is effective in the month in which an increment at the lower grade is due, such increment will be included in the salary at the lower grade, to which two increments will then be added to determine the staff member's salary on promotion in accordance with paragraph (a) above.
- (c) Subject to Rule IV.1(i)(f), the date of the first salary increment at the high grade shall be the anniversary date of promotion except that, in the case of those increments that require two years of satisfactory service, the first increment at the higher grade will become due two years from the date of promotion.
- (d) On promotion of a staff member from the General Service to the Professional category and in order to determine in accordance with paragraph (a) above the step that should be granted within the grade to which the staff member is promoted, the following emoluments shall also be taken into account:

- (e) Where the promotion of a staff member from the General Service to the Professional category would result in a reduction of his or her pensionable remuneration, the staff member may retain the level of pensionable remuneration reached immediately prior to promotion until it is surpassed as a result of the staff member's advancement in the new grade or further promotion.

RULE IV.6

Overtime and compensatory time off for General Service staff members

Additional payment or compensatory time off shall be given to General Service staff members for all hours they are required to work in excess of the full-time working week established in Rule I.2, provided that they have worked more than 40 hours during that week, in accordance with the following provisions:

- (a) Staff members shall be given compensatory time off equal to the period of overtime worked. Such time off shall be taken before the end of the third month following the month in which the overtime is worked or within such longer period as the Director may specifically authorise. If time off cannot be granted without seriously hampering the work, the staff member shall be compensated for the overtime hours worked by an additional payment.
- (b) Work required to be performed on an official holiday shall be compensated in accordance with the provisions of (a) above, provided however that the Director may require all staff members to work on a holiday which falls during a period of exigency. In this event, the Director shall set another working day to be observed as the holiday and no overtime payment or compensatory time off shall be granted in respect of work performed on the official holiday.
- (c) Overtime payments which will be calculated to the nearest quarter of an hour, are made at one and one half times salary + language allowance.
- (d) Work periods which are less than half an hour in excess of the normal working day (7 ½ hrs) shall not be eligible for overtime payments.
- (e) Overtime shall be claimed only in (15) minute bands for each day.
- (f) Overtime shall be calculated for the exact time worked and not rounded up or down to the nearest hour.

RULE IV.7

Compensatory time off for Professional staff members

Should the exigencies of the service permit, occasional compensatory time off may be granted to the Professional staff members who have been required to work substantial or recurrent periods of overtime.

RULE IV.8

General Service staff members shall receive a night differential of 25 per cent of hourly pay in respect of each hour of a regular tour of duty falling between 7 p.m. and 7 a.m. No night differential shall be paid in respect of hours of overtime worked between 7 p.m. and 7 a.m.

RULE IV.9

Education grant

Definitions

- (a) For the purposes of this Rule:
- (i) "child" means a child dependent upon the staff member for main and continuing support. "Disabled child" means a child who is unable, by reasons of physical or mental disability, to attend a normal educational institution and therefore requires special teaching or training to prepare him/her for full integration into society or, while attending a normal educational institution, requires special teaching or training to assist him/her in overcoming the disability;
 - (ii) "home country" means the country of home leave of the staff member under Rule V.3. If both parents are eligible staff members, "home country" means the country of home leave of either parent;
 - (iii) "duty station" means the country or area where the staff member is serving.

Eligibility

- (b) A staff member, who is regarded as internationally recruited, who holds a fixed-term appointment and whose recognised home is outside the country of the duty station, shall be entitled to an education grant in respect of each dependent child in full-time attendance at an educational institution. If the staff member is subsequently reassigned to a duty station in his/her recognised home country during the course of a school year, the education grant may be paid for the remainder of that school year.
- (c) The education grant is payable for dependent children in full-time attendance at an educational institution from primary level up to the end of the fourth year of post-secondary studies.
- (d) For the purposes of this grant education shall be deemed "primary":
 - (i) if the child is five years of age at the beginning of the school year; or
 - (ii) from the first day of the term in which the child reaches the age of five.
- (e) The education grant is not payable when the child ceases to be in full-time attendance at an educational institution or beyond the school year in which the child reaches the age of 25, unless the child's education has been interrupted for at least one year by compulsory national service, illness or other compelling reason. In such cases the grant may be extended for the period of interruption beyond the scholastic year in which the child reaches the age of 25. The grant is also not payable in respect of:
 - (i) attendance at a kindergarten or nursery school at the pre-primary level;
 - (ii) attendance at a free school or one charging only nominal fees at the duty station;

-
- (iii) correspondence courses, except those which in the opinion of the Director are the best available substitute for full-time attendance at a school of a type not available at the duty station;
 - (iv) private tuition, except tuition in a language of the home country at duty stations where satisfactory school facilities for learning that language are not available; or
 - (v) vocational training or apprenticeship which does not involve full-time schooling or in which the child receives payment for services rendered.

Admissible educational expenses

- (f) Admissible expenses shall include tuition (including tuition in the mother tongue and summer courses if certified as necessary by the school) and enrolment-related fees.
- (g) Tuition in the mother tongue may be reimbursed provided that:
 - (i) the staff member serves in a country whose language is different from his/her mother tongue;
 - (ii) the child attends a local school in which the language of instruction is not the staff member's mother tongue.
- (h) The admissible expenses as defined in paragraph (f) above are reimbursed at the rates indicated in Annex F of the Staff Rules.

Boarding costs

- (i) Boarding costs may exceptionally be reimbursed at a flat amount determined regularly by the ICSC only when a staff member serves at a field duty station classified as A to E and if the child is boarding away from the duty station.

Capital assessment fee

- (j) A capital assessment fee charged by a school attended by a child with respect to whom the education grant is paid will be reimbursed at 75 per cent of the actual amount, outside the education grant scheme.

Scholarships, bursaries or similar grants

- (k) The amount of all scholarships, bursaries or similar grants received in respect of a child will be deducted from the expenses incurred by staff members in respect of their child's education, before calculation of the grant to which they may be entitled.

Attendance for periods of less than the full scholastic year

- (l) The amount of the education grant and special education grant relating to admissible expenses for school attendance shall be prorated if the period of the child's school attendance or the staff member's period of service covers less than two thirds of the academic year. The amount of the grant relating to the flat sum for boarding shall be prorated if the period of the child's school attendance or the staff member's period of service covers less than a full academic year.
- (m) For the purpose of prorating part months:

-
- (i) periods of 15 and more days shall be counted as full months;
 - (ii) periods of less than 15 days shall be counted as half months.
- (n) The education grant is not payable in respect of school attendance prior to the staff member's appointment or following the staff member's separation. However, should a staff member die during the course of the school year, education grant shall be paid for the remainder of that school year.

Education Grant Claims

- (o) Claims for education grant shall be submitted in writing and supported by evidence satisfactory to the Director.

Special Education Grant for Disabled Children

Purpose

- (p) The special education grant is designed to contribute to costs related to the education of disabled children.
- (q) The special education grant is payable to staff members who hold a fixed-term appointment, whether or not they serve in their home country, in respect of a disabled dependent child as defined in paragraph (a)(i) of this rule.
- (r) The special education grant is payable in respect of each disabled dependent child from the date on which the special teaching or training is required. Upon recommendation of the IMO Medical Adviser, the special education grant may be authorised for a disabled child attending an institution at the pre-primary level.
- (s) The special education grant shall not normally be paid beyond the end of the school year in which the dependent child reaches the age of 25. In exceptional circumstances and where certified by the IMO Medical Adviser, the grant may be extended up to the end of the school year in which the child reaches the age of 28.

Admissible educational expenses

- (t) In addition to the expenses admissible under the regular education grant, the following expenses are also admissible under the special education grant:
- (i) expenses required to provide an educational programme designed to meet the needs of a disabled child in order that he/she may attain the highest possible level of functional ability. These may include:
 - .1 charges for teaching or training services;
 - .2 other costs or fees directly related to educational programmes that are not optional or related to extracurricular activities;
 - .3 expenses for special equipment for educational purposes, if not covered under health insurance;
 - .4 expenses for full board (food and lodging), even in the case of a child attending an institution at the duty station, if, as certified by the institution, such boarding is an integral part of the educational programme;

- (ii) expenses incurred for local transportation that may be required for a disabled child, if organised by the educational institution.

Conditions and reimbursement levels of the special education grant

- (u) Claims for the grant shall be submitted annually in writing and supported by medical evidence satisfactory to the Director regarding the child's disability. The maximum amount of admissible expenses under the special education grant scheme corresponds to the maximum amount shown in the sliding scale of Annex F of the Staff Rules plus the flat rate for boarding when applicable.
- (v) Payment for each disabled child shall be 100 per cent of admissible expenses actually incurred, up to the maximum established for this entitlement.
- (w) The amount of admissible educational expenses shall be reduced by the amount of benefits or similar payments received from other sources for the child's education and training. Staff members are required to report such benefits.
- (x) If a disabled child is in full-time attendance at a regular educational institution and no special arrangements are made for the child at that institution, only the regular education grant may be payable, with no entitlement to the special education grant. In such cases, internationally recruited staff members serving in their home country and locally recruited staff members with a child attending a regular educational institution with no special arrangements shall not be entitled to education grant, whether regular or special.
- (y) When a disabled child is in full-time attendance at a normal education institution, but special arrangements are made at that institution for the child concerned, the staff member may be entitled to reimbursement under special education grant provisions, i.e. 100 per cent of the maximum admissible education expenses. Capital assessment fee is not reimbursable in such case.

RULE IV.10

Dependency allowances

- (a) Staff members in the Professional and higher categories shall be entitled to receive dependency allowances for a dependent child, a disabled child and a secondary dependant at the rates applicable in the United Nations common system as follows:
 - (i) The staff member shall receive an allowance for each dependent child except that, the allowance shall not be paid in respect of the first dependent child if the staff member receives a single parent allowance under staff rule IV.10 (c).
 - (ii) The staff member shall receive a special allowance when the dependent child is determined by the Director, on the basis of medical evidence, to be physically or mentally handicapped either permanently or for a period expected to be of long duration. However, if the staff member is entitled to the single parent allowance under staff rule IV.10 (c) in respect of a disabled child, the allowance shall be the same as the allowance for a dependent child in subparagraph (i) above.
 - (iii) Where there is no dependent spouse, a single annual allowance shall be paid for either a dependent parent, a dependent brother or dependent sister.

Staff Rules

Page 13

- (c) Staff members in the Professional and higher categories without a spouse shall be entitled to a single parent allowance in respect of the first dependent child in the amount of 6 per cent of net base salary plus post adjustment.
- (d) The rates of dependency allowances applicable to the General Service category shall be set out in Annex C to these Rules. If the dependent child is disabled, a further allowance equal to the allowance for an additional dependent child shall also be payable.
- (e) If both husband and wife are staff members, one only may claim for dependent children. The claim may be made under (a)(i) if at least one is in the professional or higher categories or, if not, the claim may be made under (d). In either case the other may claim for a secondary dependant only under either (a)(ii) or (d) above if otherwise entitled.
- (f) For the purpose of the Staff Regulations and Staff Rules, a dependent spouse shall be a spouse whose gross earnings, if any, do not exceed the gross salary of the General Service salary scale, in force on 1 January of the year concerned, applicable to the G.2, step I level in London.
- (g) For the purpose of the Staff Regulations and Staff Rules, a “child” is any of the following children for whom the staff member provides main and continuing support:
- (i) a staff member’s natural or legally adopted child; or
 - (ii) a staff member’s step child who is residing with the staff member; or
 - (iii) a child who cannot be legally adopted, for whom the staff member has legal responsibility and who is residing with the staff member;
- (h) For the purpose of the Staff Regulations and Staff Rules a “dependent child” is a child for whom the staff member provides main and continuing support and who meets one of the following criteria:
- (i) The child is under the age of 18 years;
 - (ii) The child is between the ages of 18 and 21 years and attends university or its equivalent full-time; the requirement of residing with the staff member does not apply in this case;
 - (iii) The child is of any age and has a disability that is permanent or for a period that is expected to be long-term that prevents substantial gainful employment.
- (i) For the purpose of the Staff Regulations and Staff Rules: a “single parent” is a staff member who does not have a spouse and has a dependent child for whom the staff member provides continuing support.
- (j) A staff member claiming a child as a dependant must certify that he or she provides main and continuous support. In this context, “main support” means an amount at least twice the amount of the child allowance. This certification must be supported by documentary evidence satisfactory to the Director, if the child:
- (i) does not reside with the staff member;
 - (ii) is married; or
 - (iii) is recognised as a dependant under subparagraph (g) (iii) above.
- (k) Where the staff member or his or her spouse receives a direct government grant in respect of the same child the dependent child allowance or single parent allowance payable under this rule shall be reduced by the amount of that grant. No dependent child allowance or single parent allowance is

payable if the governmental grant is equal to or exceeds the rate set out under the Staff Regulations and Staff Rules.

- (l) A secondary dependant shall be either a father, mother, brother or sister of whose financial support the staff member provides one half or more, and in any case at least twice the amount of the dependency allowance, provided that a dependent brother or sister shall be subject to the same age and school attendance requirements, or otherwise, as a dependent child. No allowance for a secondary dependant shall be paid to a staff member with a dependent spouse.
- (m) The claim for dependency allowances shall be supported by evidence satisfactory to the Director.
- (n) The amount of the allowance payable in local currency under (a)(ii) above shall not be less than the local currency equivalent of the dollar amount at the time it was established or last revised.

- (p) While in receipt of the transitional allowance, no concurrent payment of the dependent child allowance under staff rule IV.10 (a)(i) shall be paid in respect of that child, except where the child qualifies for a special dependency allowance for a disabled child.
- (q) The amount of the transitional allowance shall be reduced by one percentage point every 12 months thereafter, until the amount of the transitional allowance is equal or less than the amount of the dependent child allowance provided for under staff rule IV.10 (a)(i), at which time the dependent child allowance shall be payable instead.
- (r) The transitional allowance shall be discontinued earlier if the first dependent child in respect of whom the transitional allowance is payable is no longer recognised as a dependent child.

The relevant IMO

pay protection points for staff beyond the maximum salaries on the unified salary scale are reproduced at Annex A.

- (b) Such salaries shall be adjusted for any consolidation of post adjustment to base salaries as applied by IMO. - (b) Annual leave may be taken in units of days or half-days. All arrangements as to leave shall be subject to the exigencies of the service which may require that leave be taken by a staff member during a period designated by the Director. Leave may be taken only when authorized but the personal circumstances and preferences of the individual staff member shall as far as possible be considered.
- (c) Not more than half the days of annual leave due in any calendar year may be carried forward from that year to the next and the total entitlement carried forward shall not exceed 60 days.
- (d) Any absence from duty not specifically covered by other provisions in these Rules shall be charged to the staff member's accrued annual leave, if any; if he/she has no accrued annual leave, it shall be considered as unauthorized and pay and allowances shall cease for the period of such absence.
- (e) A staff member may, in exceptional circumstances, be granted advance annual leave up to a maximum of two weeks provided his or her service is expected to continue for a period beyond that necessary to accrue the leave so advanced.

-
- (d) "Repatriation" as used in this Rule shall mean the obligation to return a staff member and his/her dependants, upon separation, at the expense of the 1992 Fund, to a place outside the country of his/her duty station.
- (e) "Home country" as used in this Rule shall mean the country of home leave entitlement under Rule V.3 or such other country as the Director may determine.
- (f) If at any time the staff member was considered to have acquired permanent residence in the country of his or her duty station and subsequently changed from such status, his or her continuous service will be deemed to have commenced at the time the change was made. Continuity of such service shall not be considered as broken by periods of special leave without pay or in partial pay, but full months of any such periods shall not be credited as service for the purpose of calculating the amount of the grant payable; periods of less than one calendar month shall not affect the ordinary rates of accrual.
- (g) Payment of the repatriation grant shall be subject to the provision by the former staff member of evidence of relocation away from the country of the last duty station.
- (h) Evidence of relocation shall be constituted by documentary evidence that the former staff member has established residence in a country other than that of the last duty station, such as a declaration by the immigration, police, tax or other authorities of the country or by the former staff member's new employer.
- (i) Payment of the grant may be claimed by the former staff member within two years of the effective date of separation.
- (j) No payment shall be made to a staff member who abandons his or her post, nor to any staff member who is residing at the time of separation in his or her home country while performing his or her official duties.
- (k) Dependants, within the meaning of this Rule, shall consist of (i) a spouse or (ii) children in respect of whom a staff member, at the time of separation, is receiving dependency allowances under Rule IV.10. The repatriation grant shall be paid at the dependency rate to staff members with dependants regardless of the place of residence of the dependants.
- (l) Where both husband and wife are staff members and each is entitled, on separation, to payment of a repatriation grant, payment shall be made to each, at single rates, according to their respective entitlements, provided that, where dependent children are recognized, the first parent to be separated may claim payment at dependency rates. In this event the second parent, on separation, may claim payment at the single rate for the period of qualifying service subsequent thereto; or, if eligible, at the dependency rate for the whole period of his/her qualifying service, from which shall normally be deducted the amount of the repatriation grant paid to the first parent.
- (m) Loss of entitlement to payment of return travel expenses under Rule VII.3 shall not affect a staff member's eligibility for payment of the repatriation grant.
- (n) In the event of the death of an eligible staff member, no payment shall be made unless there is a surviving spouse or one or more dependent children whom the Fund is obligated to return to their home country.

RULE VI.3

- (a) An appointment for a fixed term shall expire automatically on the expiration date specified in the letter of appointment.

- (c) Separation as a result of the expiration of any such appointment shall not be regarded as a termination within the meaning of the Staff Regulations and Rules.

RULE VI.4

Commutation of accrued annual leave

If upon separation a staff member has accrued annual leave, he/she shall be paid in lieu thereof a sum of money for the period of such accrued leave, up to a maximum of 60 working days. The payments shall be calculated:

- (a) for staff in the Professional and higher categories, on the basis of the staff member's net base salary plus post adjustment at the time of separation;

RULE VI.5

Restitution of advance annual and sick leave

Upon separation, a staff member who has taken advance annual or sick leave beyond that which he/she has subsequently accrued, shall make restitution for such advance leave by means of a cash refund or an offset against monies due to him/her from the 1992 Fund, equivalent to the remuneration received, including allowances and other payments in respect of the advance leave period. The Director may waive this requirement if satisfied that there are exceptional or compelling reasons for so doing.

RULE VI.6

Certification of service

Any staff member who so requests shall, on leaving the service of the 1992 Fund, be given a statement relating to the nature of his/her duties and the length of his/her service. On his/her written request, the statement shall also refer to the quality of the staff member's work and official conduct.

In this event, the date shall be determined in accordance with the following schedule:

Completed years of service with the 1971 Fund and 1992 Fund (as defined in Rule VI.1)	Months of extension beyond the date of death
3 or less	3
4	4
