

The IOPC Funds are two intergovernmental organisations (the 1992 Fund and the Supplementary Fund) which provide compensation for oil pollution damage resulting from spills of persistent oil from tankers.

Compensation and Claims Management

The process in brief

Compensation and Claims Management

The process in brief

Is my claim admissible for compensation?

Before submitting a claim, make sure you can answer yes to the following questions:

- ☒ Have you already actually suffered the expense, loss or damage?
- ☒ Does the expense relate to measures taken following the incident which are reasonable and can be justified?
- ☒ Was the expense, loss or damage caused by contamination resulting from the spill?
- ☒ Can you reasonably link the cause of the expense, loss or damage covered by the claim to the contamination caused by the spill?
- ☒ Can you quantify the loss you have suffered?
- ☒ Can you prove the amount of your expense, loss or damage and supply appropriate documents or other evidence?
